BLACKWELL EXPRESS

CAPABILITY STATEMENT

TIME-CRITICAL FREIGHT, WESTERN AUSTRALIA

COMPANY OVERVIEW

Blackwell Express is a West Australian freight and logistics company based in Midland, moving urgent parts, equipment and site-critical loads from Perth to the Goldfields, Pilbara, Gascoyne, Kimberley and interstate. Every job is scoped, planned and documented before it moves, and every client deals directly with the person responsible for their freight.

CORE CAPABILITIES

- **Urgent parts and breakdowns.** Critical components collected and delivered to get plant and equipment running again.
- **Shutdown and project support.** Scheduled and short-notice freight to keep shutdown windows and project milestones on track.
- **Remote and regional freight.** Perth to mine sites, regional towns and remote locations across Western Australia.
- **After-hours dispatch.** Nights, weekends and public holidays. Call direct and the job is moving.
- **Dedicated, right-sized transport.** A dedicated vehicle matched to the load, without paying for space you do not need.

WHAT SETS US APART

- Dispatch answered 24/7 by the person who runs the job
- Vehicles matched to the load, for value for money on small, urgent consignments
- Works alongside existing logistics contracts and panels
- Led by a background in Workplace Health and Safety and Industrial Emergency Services

COMPLIANCE

- Chain of Responsibility obligations built into planning, loading and driving
- Fatigue management on every long-haul run
- Load restraint to the standard for the item and the road ahead
- Site inductions, permits and documentation arranged in advance
- Supplier registration and pre-qualification completed on request

COVERAGE

Perth metro, Goldfields, Pilbara, Gascoyne, Kimberley. Interstate to SA, NT, QLD by arrangement.
